Committee for Citizen Involvement (CCI) NEW MEMBER RECRUITMENT

The Tigard City Council recently authorized the expansion of the Committee for Citizen Involvement, or CCI, to include four new at-large members. Council also added a new youth slot on the committee.

The five new members (4 regular and 1 youth) will be appointed through the City's established application and interview process. See below for instructions on how to apply.

The CCI is the City of Tigard's officially recognized citizen involvement group. It is advisory to Council on all matters pertaining to citizen involvement and communications. The group's adopted mission is as follows:

The Tigard Committee for Citizen Involvement reviews the form and process of the City's communications with City residents to improve those communications and to encourage City residents to be more involved with City affairs.

Recent CCI focus areas have included:

- Increasing outreach to new and under-represented groups in the community
- Developing Comprehensive Plan public involvement policies
- Evaluating the structure and content of the new Neighborhood Program
- Sponsoring a community presentation on "Meth Awareness in our Community"
- Reviewing City volunteer recruitment efforts

The CCI generally meets from 7:00 – 8:30 p.m. on the third Wednesday of every month.

All committee agendas and minutes are available on-line at [www.tigard-or.gov/City Hall/Boards & Committees/Committee for Citizen Involvement](http://www.tigard-or.gov/CityHall/Boards%20&%20Committees/Committee%20for%20Citizen%20Involvement).

Community members who have a passion to serve, who have experience working in community involvement, and who are willing to give of their time are especially encouraged to apply. Encouraged also are residents who wish to develop their skills in public involvement and those who reflect the diversity of the community.
